Cool Gel Memory Foam Truck Mattress

Note: foam and fabric colors may vary

Choose firm or soft. This 5", multi-layered, mattress combines a layer of Cool Gel memory with a combination of soft and firm foams for comfort and support. Use either side as the top for a restful, comfortable night's sleep after a long haul. Hypo-allergenic, anti bacterial, fire retardant.

Cooling Technology

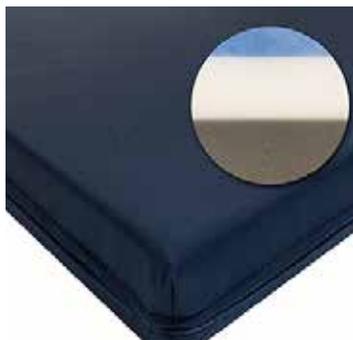

Cool Gel memory foam top layer evenly distributes body weight. The infused liquid gel provides a cooler sleep experience, wicking heat away from body while reducing foam cradling that results in heat build up. Experience a consistent, plush and luxurious feel in all climates.
