

Road Elite

Premium Gel Memory Foam Truck Mattress

This premium 6", multi-layered, mattress features a 2" layer of Gel memory foam over conforming and supportive layers. The firm foam base provides extra comfort and stability for optimum pressure point relief.

Cooling Technology

Cool Gel memory foam top layer evenly distributes body weight. The infused liquid gel provides a cooler sleep experience, wicking heat away from body while reducing foam cradling that results in heat build up. Experience a consistent, plush and luxurious feel in all climates.

Luxurious Stretch Cover

Luxurious stretch cover is breathable and easy to clean. Covered zipper makes it easy to remove or replace if necessary.
